**FLOOS**  
— a crafter's secret —

# WHAT IS FLOOS?

---

A practical tool for you.  
The best practice for your  
students.

**FLOOS is the first online library of professional floral recipes** that allows your students to practise the knowledge and skills they have acquired during your classes.

Through its **detailed step-by-step recipes**, FLOOS gives advanced designers the chance to improve and perfect their technique while it offers you a powerful tool to get the best out of your pupils.

**Join FLOOS.org and guide your students through *the crafter's secret!***

# MORE DETAILS

---

Find out everything you need to know

## **Who can apply?**

Official floral schools and floral art academies that give flower arranging classes or workshops.

## **What does it include?**

A 1 day MasterClass (workshop) given at your school or special event by a FLOOS master florist of your choice\*.

## **What is NOT included?**

The master florist's travelling expenses to your school, accommodation, meals and floral material for the workshop. These expenses should be covered by the organiser.

## **When can I get my MasterClass?**

Once you have joined our programme and your school reaches 30 students subscribed to FLOOS.

## **Is there a maximum length of time to get 30 students together?**

There's no time limit to get your students subscribed to FLOOS but at the time you ask for your free MasterClass your school should have at least 30 active subscribers.

## **How will I know I have 30 students subscribed to FLOOS?**

Every month we will send you an e-mail letting you know how many of your students have subscribed to FLOOS using your CODE.

## **Can I get a longer MasterClass?**

At FLOOS, we are flexible. We are happy to offer 2 day workshops to those schools that get over 50 students subscribed to FLOOS.
